## About the Druid Hills Golf Club Course

The course, originally built in 1913, is maintained beautifully and has been recently updated. In 2003 famed course architect Bob Cupp designed this Druid Hills "gem," which has bent grass on the greens and Bermuda grass on the fairways. This course is both playable and challenging. It is perfectly blended with the natural surroundings of Druid Hills, creating a serene and enjoyable experience. The signature hole is #8, a 199-yard, par 3, requiring a tee shot over water to a shallow green. Atlantans have been known to claim this as one of Georgia's best holes of golf.

## Dress Code

No Denim. Collared shirt and Bermuda shorts/pants are required.

Cell Phone use is not permitted on the golf course at any time.

The Course & Club are non-smoking environments; Designated smoking areas are available outdoors.

## Address

740 Clifton Road NE Atlanta, GA 30307
